

Tradebank Golf Tournaments- A GuaranTEED Good Time!

This summer and earlier this fall, many Tradebank regions held golf tournaments, and as always, they were a great success! Golf is a great way for clients to come out and meet their brokers as well as fellow clients. Tournaments are not only a great way to socialize and network, but also the perfect place to strike up the perfect trade deal or two.

It was another great year for Tradebank Niagara with a good turn out. This was the second tournament this year for Niagara and the second for Gary Charnock as regional owner. "Every golfer got a bottle of Creekside Merlot and a really nice divot repair tool with ball marker. Despite the weather conditions everyone had a great time at Rolling Meadows Golf Course; experiencing the four seasons in one; it started out like a spring day cold and wet, then beautiful summer sun, gradually turning into a cold blustery fall day, followed quickly by an awful hail storm, and finally we passed into spring again at our final hole with some nice sunshine just before a tasty meal." says Gary.

Tradebank Toronto held their first annual golf tournament on September 25 at the beautiful Maples of Ballantree Golf Course in Stouffville, Ontario. approximately a ½ hour drive from Toronto.

Tradebank Ottawa held their first annual golf tournament on Sept 11 at Club de Golf les Vieux Moulin's, a beautiful golf course in the heart of Aylmer, Quebec. In all, 40 golfers came out to socialize, eat, and win great titles and prizes including a raffled digital camera won by Robert Butler. The team from Cash & Carry Carpet won first place and golf was followed by a magnificent steak BBQ dinner provided by Deb and Linda at the course's restaurant.

Les Vieux Moulin's golf course is located at the highest point of land in Aylmer which gives the golfer a magnificent view of the Ottawa River and surrounding area. Les Vieux Moulin's is a challenging championship course consisting of large, rolling grass greens, and because it has been cut out of densely treed areas, its natural beauty makes it an enjoyable experience for all golfers.
